

We are so excited to announce the 2023 Calvary Houston Married Couples Cruise, from Galveston to the Western Caribbean. We sincerely hope you will plan to sail away with us for 5 days and nights of relaxation, dining, adventure, and fellowship.

This Caribbean cruise will set sail out of Galveston on the Carnival Breeze. We depart Monday, March 27, 2023. Ports of call are Cozumel and Costa Maya.

Deposits: A refundable deposit of \$150/person is due at the time of booking to secure your cabin selection. Final payment is due on or before January 11, 2023. Military and other discounts are available!

If you are like most married couples, it's a struggle to fit in those important date nights. Here is a wonderful opportunity to date your spouse for 5 nights! Think of it... You can get away with no distractions with the love of your life, for the adventure of the year! Yes, marriage is an adventure!

While onboard the ship, we will meet for group devotions, game nights, and fellowship. Of course, you will have the opportunity to meet and hang out with couples from the church, and we will meet regularly for dinner as a group in one of the main dining rooms.
